All-School Board Plan- **All rates are subject to change*

Sharing meals together is one way the community aspect of theological education at Andover Newton is strengthened. Food service, however, is an increasingly expensive item requiring more student participation in the board plan in order for the school to continue to offer this valuable service.

In addition to students on the full board plan, commuting students and students residing in Herrick House, Kendall and Fuller Halls who take two or more courses on campus will participate in the board plan as follows:

Meals per week	Intended community minimum requirements	Plan Rates
1	Commuters taking 2 or more courses on campus	\$150
3	Commuters spending 1 night on campus	\$430
5	Commuters spending 2 or more nights on campus	\$550
11	Resident students, Appleton and Farwell	\$900

There is no board plan for Winter or Summer Session; however, meals may be purchased in the Dining Hall in the Winter Session. There is no food service in the Summer Session.
