

Transfer Credit Request Form

By completing this form, a student petitions for credit earned in other accredited (Association of Theological Schools) schools to be used toward an Andover Newton degree. Final discretion for transfer credit belongs to the Dean of the Faculty. Only courses in which students earn a “C” or better may be transferred. Transferred courses’ grades are not computed into the student’s cumulative GPA. Transfer credits must be approved within a student’s first semester at the school. Other restrictions apply. See the *Catalogue* for more information about Shared Credit, Transfer Credit, and Advanced Standing.
