A student may request that an instructor give a grade of Pass/Fail, instead of a letter grade. Such requests must be made in the Office of the Registrar before the deadline for Drop, or, in the case of Winterim and Summer Session, before the end of the first class. MDiv. students may take no more than five, and M.A. and D.Min. students no more than two Pass/Fail grades. Boston College students (Ph.D. or BTI) may not be graded Pass/Fail, since the school does not recognize this grade.
